

## LETHAL BUT LEGAL IN CONVERSATION WITH NICHOLAS FREUDENBERG

Decisions made by the food, tobacco, alcohol, pharmaceutical, gun, and automobile industries have a large impact on health. On the 25th of April **Professor Freudenberg** will talk about his book 'Lethal But Legal' (recently published in Dutch: 'Legaal maar fataal') and he will discuss solutions for the lobbying power of corporations.

Other speakers this evening will be medicines expert **Dick Bijl** (International Society of Drug Bulletins) and **Wanda de Kanter** (chest physician Antoni van Leeuwenhoek). General-practitioner **Hans van der Linde** will moderate the debate.

The event is organized by **Wemos** and the **International Society of Drug Bulletins** and will be held in English. Register and buy your tickets online. Only limited seats available.
